“ I was able to work with Jeanne and Bob at Waukesha North High School before they retired in 1984. Jeanne was so friendly and welcoming to me as a new fellow vocational education teacher!

I loved her smile and caring ways!

What a beautiful photo!

May she rest in peace!

“ Bob, Jean, Susan, and Cindy were dear neighbors and friends to the Phillips' family when we lived across the street from them in Waukesha. Jean was always baking / cooking and we had the good fortune to be the recipients of her skills. She always made us feel welcome and we loved spending time at her home. She was a very special lady!

“ Great memories with the Phillips' family both in Waukesha as well as our summer trips to BRF which included sleepovers at the Phillips' homestead in Osseo. Thank you for sharing.

“ I am a former student of Mrs. Simon's at Horning Middle School. She was my Home Ec teacher and I learned so much from her! I measure flour exactly as she taught me - over fill the cup, cut it with the back of a knife, and push the excess off. I think of her every time I measure flour. Bless you as you mourn her loss.
